We are a full service Accounting and Bookkeeping Firm serving the tristate area. Our clients include small law firms including sole practitioners, small businesses and individuals.

We specialize in helping start up businesses set up the accounting infrastructure which starts with consultations regarding helping you choose a business structure which directly impacts your tax liability. It continues with accounting of start up expenses, establishing the general ledger including the chart of accounts, clients, vendors, payroll, tax planning and ends with financial reporting.

Our core services include:

- Consultation
- Reporting – Compilations
- Bookkeeping
- Taxation
